An eight-week summer field course providing opportunities for physics, math, engineering and geoscience students to:

• Experience South Africa;
• Gain exposure to geophysics;
• Learn about career options in geophysics.

Eligible students must have completed their sophomore or junior year by summer 2010.

No prior background in geophysics is required.

Cost: Free
For details and application please see the AfricaArray website: http://www.africaarray.psu.edu/academics/field_school.asp

Or contact:
Dr. Andrew Nyblade, Penn State
Telephone: (814) 863-8341
E-mail: aan2@psu.edu

Dr. Solomon Bililign, NC A&T
Telephone: (336) 334-7646
E-mail: bililign@ncat.edu

AfricaArray is an initiative to promote geophysics education and research in Africa. The field course is in conjunction with The University of the Witwatersand, Johannesburg, South Africa (http://www.wits.ac.za/).

June through July
